Announcement Regarding Decision on Matters Concerning Acquisition of Treasury Shares

(Acquisition of treasury shares pursuant to Article 156, Paragraph 1 of the Companies Act, based upon a provision of the Articles of Incorporation made under Article 459, Paragraph 1, Item 1 of the Companies Act)

Resona Holdings, Inc. (“Resona Holdings”) has resolved, at its board of directors meeting held today, to acquire its treasury shares pursuant to Article 156, Paragraph 1 of the Companies Act, based upon the provision of Article 50 of Resona Holdings’ Articles of Incorporation made under Article 459, Paragraph 1, Item 1 of the Companies Act, as follows.

1. Reasons for the acquisition of treasury shares

Resona Holdings will conduct an acquisition of its treasury shares in order to respond to a dilution of EPS which occurred due to the execution of a series of transactions (the “Transaction”) aimed at Resona Holdings making Kansai Mirai Financial Group a wholly-owned subsidiary, including a share exchange (the “Share Exchange”) between Resona Holdings, as the wholly-owning parent company, and Kansai Mirai Financial Group, Inc. (“Kansai Mirai Financial Group”), as the wholly-owned subsidiary (Note). In order to respond to such dilution of EPS, Resona Holdings determined the maximum total number of shares to be acquired by taking into consideration the fluctuation in the total number of shares issued by Resona Holdings through the Transaction and the fluctuation in the amount of Net Income Attributable to Owners of the Parent of Resona Holdings.

(Note) Please also see 1.(2)(c) “Acquisition of Treasury Shares” (page 24) of “Notice Regarding the Execution of the Share Exchange Agreement (Simplified Share Exchange) for Resona Holdings, Inc. to Make Kansai Mirai Financial Group, Inc. a Wholly-Owned Subsidiary” dated November 10, 2020.

The description (excerpt) is as follows:

“If a potential dilution of EPS occurs upon the Transaction, in order to respond to such dilution, Resona Holdings intends to acquire treasury shares through market buying promptly after the Transaction.”
